# **7TH INTERNATIONAL RESEARCH CONFERENCE ON INNOVATIONS IN ENGINEERING, SCIENCE, AND TECHNOLOGY (IRCIEST)**

**Theme: "Engineering the Future: Transformative Research for Global Advancement"**

The 7th IRCIEST aims to bring together researchers, academics, industry professionals, and students from the country and around the world to discuss the latest research and developments in the fields of engineering, science, and technology. The conference provides an excellent platform for participants to share their knowledge, research findings, and experiences, as well as to network with their peers. It also provides an opportunity to identify potential areas of collaboration and explore avenues for further research.
